

Texas Teen-age and Affiliates Coach/Umpire/Volunteer/Staff Application

CHILD ABUSE STATEMENT

Texas Teen-age and its affiliates have a great deal of concern about the safety and abuse of children. As a person who is interested in the well being of children, we believe you are entitled to know how our organization is combating this critical issue. In addition, as an applicant for a volunteer/staff position with our organization, you need to know the defensive measures we employ to protect children in our care, as well as, the volunteer/staff from this serious problem.

We will not tolerate the abuse of any child. We are aware that some people apply for positions in youth services field because they are interested in children sexually. We make an active and we believe effective effort to prevent child sexual abuse in our programs. We attempt to screen out molesters through a careful background check. We structure our activities recommending that volunteer/staff not be left alone with children. We periodically interview children about their experiences in our program and encourage open discussion of their problems. We take any allegations by children and others very seriously and refer all allegations to the local or State law enforcement authorities for investigations in which we fully cooperate.

The safeguards built into our activities protect volunteer/staff from being in situations that might be misinterpreted by children and others.
